Stimpunks

approach: "We pay neurodivergent and disabled people to work and live. We pay expenses like rent and medical bills as well as buy medical equipment or other necessities. Unlike most foundations, we support organizations and individuals directly, maximizing our impact in neurodivergent and disabled people's lives and communities."

Autistic People of Color Fund

approach: "The Fund practices redistributive justice and mutual aid by returning and sharing money directly to and with autistic people of color. We provide microgrants to Black, Brown, Native, Asian, and mixed-race people in the autistic community for survival, organizing, leisure, and pleasure.."

Tubman Network

approach: "We are an organization of volunteers in Berlin founded with the help of African and Afro-Diasporic associations, companies and individuals in February 2022. The start of our activity came as a reaction to the racially motivated human rights violations related to people fleeing from Ukrainian war zones."
